2012 Red Heart #298 & #198

The National Association of State Public Health Veterinarians, Inc. recommendation for 2012 Rabies Tag is the red heart. Due to the limited stamping area on the red heart, we have provided the following sketch for your convenience. Other shapes for purchase are on the reverse side of this page. **To avoid a delay in receiving your tags for 2012, please place your order with our office by October 15. NEVSCo cannot guarantee a shipment date of January 1, 2012 for orders placed after October 31, 2011.**
